

Hebrew Rehabilitation Center (HRC) Long Term Chronic Hospital Price Transparency Standard Charges for All Items and Service and Shoppable Services Files

Special Notes:

1. As a long term chronic hospital serving seniors, we provide lab, pharmacy, radiology and other ancillary Part B services to inpatients only.
2. LTAC (Long Term Acute Care) services are negotiated with commercial payers as per diem rates, not DRGs. DRGs are only billed to Medicare.
3. Long Term Chronic Care and Long Term Chronic Memory Care is not covered by Medicare or any commercial insurer. Senior Care Options (SCO) plans cover this service, but we are not contracted with any SCO.
4. Hebrew Rehabilitation Center primarily serves dual eligible seniors. Our gross charges are 81% Medicare and Medicaid.
5. Hebrew Rehabilitation Center is primarily an inpatient hospital. Only 7% of gross charges are outpatient.
6. Hebrew Rehabilitation Center has negotiated contracts for inpatient LTAC services with Blue Cross, Tufts, Harvard Pilgrim, Commonwealth Care Alliance (CCA) and Allways insurers. HRC has negotiated outpatient therapy rates with Blue Cross, Tufts and Harvard Pilgrim. We accept out of network patients from Aetna, United, Unicare and others, but these rates are not negotiated and so are not presented.
7. HRC does not have an outpatient pharmacy.
8. Bundled – The service is not separately payable, but instead is included in the inpatient per diem rate.
